Grey Sister by the incomparable Mark Lawrence is the incredible, and a bit darker, sophomore installment in his Book of the Ancestor series. It's a story of intrigue and sacrifice, filled with tension that drips from every page. The world he has created continues to be carefully curated and becomes more enthralling as the tale of Nona progresses.

The Gray Sisters are the daughters of the minor sea gods Keto and Phorcys. The Gray Sisters have encountered the original demigod hero, Perseus. At one point of his journey, Perseus travels to see the Gray Sisters to find the location of Medusa. When he got there, the sisters were absolutely horrified when he asked for the information.

The Graeae were daughters of the sea-deities Phorcys and Ceto (from which their name the Phorcydes derived) and sisters to the Gorgons. The Graeae took the form of old, grey-haired women. Their age was so great that a human childhood for them was hardly conceivable. In Theogony, however, Hesiod describes the Graeae as being "fair-cheeked".

Graeae are a trio of sisters in Greek mythology, and indeed are one of the most famous triumvirates, alongside the likes of the Gorgons, to appear in the tales of Ancient Greece. The fame of the Graeae though, comes primarily for the fact that they appear in the adventures of the legendary hero Perseus.

Grey sister is the second book in the Book of the Ancestor trilogy. If you haven't read the first book, Red Sister, I highly recommend you read that first as it's an ongoing series with an

overarching story, and so far a very good one. Sort of like a coming of age, dystopian Harry Potter is the best way I can describe the series.
