the painter s handbook | Book Library

Reviewed in the United States on November 13, 2000. Format: Paperback Verified Purchase. While not as large and sometimes not as detailed as Ralph Mayer's excellent book on all artist's materials, the Gottsegen often offers a more recent explanation of materials and techniques for painters specifically. One of its most useful elements is a series of step-by-step instructions for various processes, including stretching canvas, making mediums, etc.
